TIMELESS & ENDURING

Queensland is a naturally milled leather on large European hides. It is soft and supple and its rich colours convey a sense of elegance and beauty. Its brilliant texture is achieved by a tipping process, devised to enhance the peaks and hollows of the grain.

Content
Full Grain, Aniline

Finish
Solid, Wax Pull Up

Raw Material
European

Average Hide Size
50 FT2

NOTE: Due to color variations on different monitors and color printers, before making exact color and texture matches, we recommend that you request an actual sample to ensure proper color representation as many monitors and printers cannot print colors accurately. CTL Leather is not responsible for color selections made from this lookbook.
