An aerial photograph of a rural landscape. A two-lane road with a white center line runs diagonally from the bottom left towards the center. The surrounding terrain is a mix of golden-brown harvested fields, green pastures, and dense forests with some trees showing autumn colors. A dark grey rectangular box is overlaid on the right side of the image, containing the text 'TIMELESS & ENDURING' in white, bold, sans-serif font.

Leather hides are lightly buffed during the tanning process to create the nubuck look and feel that is so appealing, while still maintaining the natural grain that will vary slightly within each hide. When upholstered, the leather's luxurious nap displays sophistication and grace.

From an environmental perspective, in conforming with REACH directives, hides are tanned using highly advanced protection agents made from fats and oils found naturally within the cowhides to create a surface with water repellency properties, and protectant from liquids and staining.

An aerial photograph of a rural landscape. The scene is dominated by large, rectangular agricultural fields in various shades of brown and tan, indicating harvested crops. A winding, dark-colored stream or canal flows through the center of the image. In the lower-left quadrant, a small cluster of buildings, including a house and several barns, is surrounded by trees with vibrant autumn foliage in shades of yellow, orange, and red. The overall lighting is bright, casting soft shadows. A dark, semi-transparent rectangular box is overlaid in the upper right portion of the image, containing white text.
