LEATHER RECEIVING

- All leather should be carefully unrolled and inspected prior to cutting or marking of the hide.
- In case of returns, the leather must be returned in the same packaging and in the same fashion it was received (ie: If the leather was received ROLLED, it must be returned ROLLED)

LEATHER STORING BEFORE USE

Our Leather Hides come rolled on a tube, as show.

The leather needs to be placed on a table and carefully unrolled on the table.

When shaking the leather out, not placing it on a table, will create all sorts of wrinkle marks within the hide.

CTL Leather can not be responsible for markings created by mis-management of the hides.

- The leather should be stored as flat as possible to avoid wrinkles;
- Hang the leather during storage is recommended

LEATHER RECEIVING

Leather is carefully inspected prior to shipment and we ask that you inspect your Leather upon delivery.

Should you notice any damage upon receipt, please contact us immediately.

Our Leather is not indestructible. Our warranty does not cover misuse or abuse. Please do not hesitate to contact us with any questions.
