DUBLIN

ESSENTIAL LEATHER

A wide-angle, nighttime photograph of St. Patrick's Cathedral in Dublin, Ireland. The cathedral is illuminated by warm, golden lights, highlighting its classical architecture, including the large dome and the portico with columns. The sky is dark with visible stars. The word "DUBLIN" is written in a large, white, serif font across the upper right portion of the image.

This fluffy and light natural grained leather is achieved by a special milling process that allows the grain to surface naturally, providing the leather with a soft, supple hand and natural pebbled texture.

Our most popular heavyweight leather exhibits a grain that has been slightly tipped with a sheen to give the leather true radiance.
